

## All My Sons Opening Stage Directions Morelearning

Page to Stage narrows the gulf between printed page and performance to make script analysis for production or academic study more effective, efficient, and insightful. It examines the many forms of tension in plays -- between actor and character, between the stage and the world of the play, between the present and the past, and between characters-- by looking at stage space and time and a wide range of plays from Greek times to the present.

Celebrating the Arthur Miller centennial year, an eye-catching new Penguin Plays edition of the work that established him as a leading voice in the American theater In 1947, Arthur Miller exploded onto Broadway with his first major work, *All My Sons*, winning both the New York Drama Critics' Circle Award for Best New Play and the Tony for Best Author. The play introduced themes that would preoccupy Miller throughout his career: the relationships between fathers and sons and the conflict between business and personal ethics. This striking new edition adds *All My Sons* to the elegant Penguin Plays series—now in beautifully redesigned covers. Joe Keller and Steve Deever, partners in a machine shop during World War II, turned out defective airplane parts, causing the deaths of many men. Deever was sent to prison while Keller escaped punishment and went back to business, making himself very wealthy in the ensuing years. A love affair between Keller's son, Chris, and Ann Deever, Steve's daughter; the bitterness of George Deever, who returns from the war to find his father in prison and his father's partner free; and the reaction of Chris Keller to his father's guilt escalate toward a climax of electrifying intensity.

A new series of bespoke, full-coverage resources developed for the 2015 A Level English qualifications. Endorsed for the AQA A/AS Level English Literature B specifications for first teaching from 2015, this print Student Book is suitable for all abilities, providing stretch opportunities for the more able and additional scaffolding for those who need it. Helping bridge the gap between GCSE and A Level, the unique three-part structure focuses on texts within a particular time period and supports students in interpreting texts and reflecting on how writers make meaning. An enhanced digital version and free Teacher's Resource are also available.

#1 NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD WINNER • NAMED ONE OF TIME'S TEN BEST NONFICTION BOOKS OF THE DECADE • PULITZER PRIZE FINALIST • NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST • ONE OF OPRAH'S "BOOKS THAT HELP ME THROUGH" • NOW AN HBO ORIGINAL SPECIAL EVENT Hailed by Toni Morrison as "required reading," a bold and personal literary exploration of America's racial history by "the most important essayist in a generation and a writer who changed the national political conversation about race" (Rolling Stone) NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN • NAMED ONE OF PASTE'S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY The New York Times Book Review • O: The Oprah Magazine • The Washington Post • People • Entertainment Weekly • Vogue • Los Angeles Times • San Francisco Chronicle • Chicago Tribune • New York • Newsday • Library Journal • Publishers Weekly In a profound work that pivots from the biggest questions about American history and ideals to the most intimate concerns of a father for his son, Ta-Nehisi Coates offers a powerful

new framework for understanding our nation's history and current crisis. Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? *Between the World and Me* is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bracingly confronts our present, and offers a transcendent vision for a way forward.

This book explores the ways that pre-existing 'national' works or 'national theatre' sites can offer a rich source of material for speaking to the contemporary moment because of the resonances or associations they offer of a different time, place, politics, or culture. Featuring a broad international scope, it offers a series of thought-provoking essays that explore how playwrights, directors, theatre-makers, and performance artists have re-staged or re-worked a classic national play, performance, theatrical form, or theatre space in order to engage with conceptions of and questions around the nation, nationalism, and national identity in the contemporary moment, opening up new ways of thinking about or problematizing questions around the nation and national identity. Chapters ask how productions engage with a particular moment in the national psyche in the context of internationalism and globalization, for example, as well as how productions explore the interconnectivity of nations, intercultural agendas, or cosmopolitanism. They also explore questions relating to the presence of migrants, exiles, or refugees, and the legacy of colonial histories and post-colonial subjectivities. The volume highlights how theatre and performance has the ability to contest and unsettle ideas of the nation and national identity through the use of various sites, stagings, and performance strategies, and how contemporary theatres have portrayed national agendas and characters at a time of intense cultural flux and repositioning. One of The New York Times' 16 New Books to Watch for in March One of Publishers Weekly's Most Anticipated Books of the Year One of Newsweek's Most Highly Anticipated Books of The Year One of BuzzFeed's Most Anticipated Books the Year Based on the acclaimed series—a finalist for the Pulitzer Prize—an intimate account of the devastating effects of gun violence on our nation's children, and a call to action for a new way forward In 2017, seven-year-old Ava in South Carolina wrote a letter to Tyshaun, an eight-year-old boy from Washington, DC. She asked him to be her pen pal; Ava thought they could help each other. The kids had a tragic connection—both were traumatized by gun violence. Ava's best friend had been killed in a campus shooting at her elementary school, and Tyshaun's father had been shot to death outside of the boy's elementary school. Ava's and Tyshaun's stories are extraordinary, but not unique. In the past decade, 15,000 children have been killed from gunfire, though that number does not account for the kids who weren't shot and aren't

considered victims but have nevertheless been irreparably harmed by gun violence. In *Children Under Fire*, John Woodrow Cox investigates the effectiveness of gun safety reforms as well as efforts to manage children's trauma in the wake of neighborhood shootings and campus massacres, from Columbine to Marjory Stoneman Douglas. Through deep reporting, Cox addresses how we can effect change now, and help children like Ava and Tyshaun. He explores their stories and more, including a couple in South Carolina whose eleven-year-old son shot himself, a Republican politician fighting for gun safety laws, and the charlatans infiltrating the school safety business. In a moment when the country is desperate to better understand and address gun violence, *Children Under Fire* offers a way to do just that, weaving wrenching personal stories into a critical call for the United States to embrace practical reforms that would save thousands of young lives.

In this study of space and place, Sally Bayley examines the meaning of 'home' in American literature and culture. Moving from the nineteenth-century homestead of Emily Dickinson to the present-day reality of Bob Dylan, Bayley investigates the relationship of the domestic frontier to the wide-open spaces of the American outdoors. In contemporary America, she argues, the experience of home is increasingly isolated, leading to unsettling moments of domestic fallout. At the centre of the book is the exposed and often shifting domain of the domestic threshold: Emily Dickinson's doorstep, Edward Hopper's doors and windows, and Harper Lee's front porch. Bayley tracks these historically fragile territories through contemporary literature and film, including Cormac McCarthy's *No Country For Old Men*, Lars Von Trier's *Dogville*, and Andrew Dominik's *The Assassination of Jesse James By The Coward Robert Ford* - works that explore local, domestic territories as emblems of nation. The culturally potent sites of the American home - the hearth, porch, backyard, front lawn, bathroom, and basement - are positioned in relation to the more contested sites of the American motel and hotel.

**NATIONAL BESTSELLER** The true story of two African-American brothers who were kidnapped and displayed as circus freaks, and whose mother endured a 28-year struggle to get them back. The year was 1899 and the place a sweltering tobacco farm in the Jim Crow South town of Truevine, Virginia. George and Willie Muse were two little boys born to a sharecropper family. One day a white man offered them a piece of candy, setting off events that would take them around the world and change their lives forever. Captured into the circus, the Muse brothers performed for royalty at Buckingham Palace and headlined over a dozen sold-out shows at New York's Madison Square Garden. They were global superstars in a pre-broadcast era. But the very root of their success was in the color of their skin and in the outrageous caricatures they were forced to assume: supposed cannibals, sheep-headed freaks, even "Ambassadors from Mars." Back home, their mother never accepted that they were "gone" and spent 28 years trying to get them back. Through hundreds of interviews and decades of research, Beth Macy expertly explores a central and difficult question: Where were the brothers better off? On the world stage as stars or in poverty at home? *TRUEVINE* is a compelling narrative rich in historical detail and rife with implications to race relations today.

The Pulitzer Prize-winning tragedy of a salesman's deferred American dream  
A Penguin Classic Since it was first performed in 1949, Arthur Miller's Pulitzer Prize-

winning drama about the tragic shortcomings of an American dreamer has been recognized as a milestone of the theater. Willy Loman, the protagonist of *Death of a Salesman*, has spent his life following the American way, living out his belief in salesmanship as a way to reinvent himself. But somehow the riches and respect he covets have eluded him. At age 63, he searches for the moment his life took a wrong turn, the moment of betrayal that undermined his relationship with his wife and destroyed his relationship with Biff, the son in whom he invested his faith. Willy lives in a fragile world of elaborate excuses and daydreams, conflating past and present in a desperate attempt to make sense of himself and of a world that once promised so much. This Penguin Classics edition features an introduction by Christopher W. E. Bigsby. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Jonathan Safran Foer emerged as one of the most original writers of his generation with his best-selling debut novel, *Everything Is Illuminated*. Now, with humor, tenderness, and awe, he confronts the traumas of our recent history. What he discovers is solace in that most human quality, imagination. Meet Oskar Schell, an inventor, Francophile, tambourine player, Shakespearean actor, jeweler, pacifist, correspondent with Stephen Hawking and Ringo Starr. He is nine years old. And he is on an urgent, secret search through the five boroughs of New York. His mission is to find the lock that fits a mysterious key belonging to his father, who died in the World Trade Center on 9/11. An inspired innocent, Oskar is alternately endearing, exasperating, and hilarious as he careens from Central Park to Coney Island to Harlem on his search. Along the way he is always dreaming up inventions to keep those he loves safe from harm. What about a birdseed shirt to let you fly away? What if you could actually hear everyone's heartbeat? His goal is hopeful, but the past speaks a loud warning in stories of those who've lost loved ones before. As Oskar roams New York, he encounters a motley assortment of humanity who are all survivors in their own way. He befriends a 103-year-old war reporter, a tour guide who never leaves the Empire State Building, and lovers enraptured or scorned. Ultimately, Oskar ends his journey where it began, at his father's grave. But now he is accompanied by the silent stranger who has been renting the spare room of his grandmother's apartment. They are there to dig up his father's empty coffin.

Brand new edition of Miller's powerful tragedy that brings it alive for 16-18 students. With the clearest and most accessible design, together with supporting activities, biography and contextual information targeting exactly the right level, this edition provides comprehensive, relevant and engaging support for students.

A New York Times Notable Book | Lambda Literary Award Winner | Long-listed for the PEN Open Book Award “Charles Blow is the James Baldwin of our age.” — Washington Blade “[An] exquisite memoir . . . Delicately wrought and arresting.” — New York Times Universally praised on its publication, *Fire Shut Up in My Bones* is a pioneering journalist's indelible coming-of-age tale. Charles M. Blow's mother was a fiercely driven woman with five sons, brass knuckles in her glove box, and a job plucking

poultry at a factory near their segregated Louisiana town, where slavery's legacy felt close. When her philandering husband finally pushed her over the edge, she fired a pistol at his fleeing back, missing every shot, thanks to "love that blurred her vision and bent the barrel." Charles was the baby of the family, fiercely attached to his "do-right" mother. Until one day that divided his life into Before and After—the day an older cousin took advantage of the young boy. The story of how Charles escaped that world to become one of America's most innovative and respected public figures is a stirring, redemptive journey that works its way into the deepest chambers of the heart.

"Stunning . . . Blow's words grab hold of you . . . [and] lead you to a place of healing."  
— Essence "The memoir of the year." — A. V. Club

A masterpiece of Biblical scope, and the magnum opus of one of America's most enduring authors, in a commemorative hardcover edition In his journal, Nobel Prize winner John Steinbeck called *East of Eden* "the first book," and indeed it has the primordial power and simplicity of myth. Set in the rich farmland of California's Salinas Valley, this sprawling and often brutal novel follows the intertwined destinies of two families—the Trasks and the Hamiltons—whose generations helplessly reenact the fall of Adam and Eve and the poisonous rivalry of Cain and Abel. The masterpiece of Steinbeck's later years, *East of Eden* is a work in which Steinbeck created his most mesmerizing characters and explored his most enduring themes: the mystery of identity, the inexplicability of love, and the murderous consequences of love's absence. Adapted for the 1955 film directed by Elia Kazan introducing James Dean, and read by thousands as the book that brought Oprah's Book Club back, *East of Eden* has remained vitally present in American culture for over half a century.

The Methuen Drama Dictionary of the Theatre is an essential reference tool and companion for anyone interested in the theatre and theatre-going. Containing over 2500 entries it covers the international spectrum of theatre with particular emphasis on the UK and USA. With biographical information on playwrights, actors and directors, entries on theatres and theatre companies, explanation of technical terms and theatrical genres, and synopses of major plays, this is an authoritative, trustworthy and comprehensive compendium. Included are: synopses of 500 major plays biographical entries on hundreds of playwrights, actors, directors and producers definitions of nearly 200 genres and movements entries on over 100 key characters from plays information about more than 250 theatres and companies Unlike similar products, The Methuen Drama Dictionary of the Theatre avoids a dry, technical approach with its sprinkling of anecdotal asides and fascinating trivia, such as how Michael Gambon gave his name to a corner of a racing track following an incident on BBC's *Top Gear* programme, and under 'advice to actors' the sage words of Alec Guinness: 'First wipe your nose and check your flies', and the equally wise guidance from the master of his art, Noël Coward: 'Just know your lines and don't bump into the furniture.' As a companion to everything from the main stage to the fringes of theatrical fact and folklore, this will prove an irresistible book to all fans of the theatre.

A Student Handbook to the Plays of Arthur Miller provides the essential guide to Miller's most studied and revived dramas. Authored by a team of leading scholars, it offers students a clear analysis and detailed commentary on five of Miller's plays: *All My Sons*, *Death of a Salesman*, *The Crucible*, *A View from the Bridge* and *Broken Glass*. A consistent framework of analysis ensures that

whether readers want a summary of the play, a commentary on the themes or characters, or a discussion of the work in performance, they can readily find what they need to develop their understanding and aid their appreciation of Miller's artistry. A chronology of Miller's life and work helps to situate his oeuvre in context and the introduction reinforces this by providing a clear overview of his writing, its recurrent themes and how these are intertwined with his life and times. For each play the author provides a summary of the plot, followed by commentary on the context, themes, characters, structure and language, and the play in production - both on stage and screen adaptations; there are questions for further study and detailed notes on words and phrases in the text. The wealth of authoritative and clear commentary on each play, together with further questions that encourage comparison across Miller's work and related plays by other leading writers, ensures that this is the clearest and fullest guide to Miller's greatest plays.

**NEW YORK TIMES BESTSELLER** • The “compassionate” (People), “startling” (Baltimore Sun), “moving” (Chicago Tribune) true story of two kids with the same name from the city: One went on to be a Rhodes Scholar, decorated combat veteran, White House Fellow, and business leader. The other is serving a life sentence in prison. In development as a feature film executive produced by Stephen Curry, who selected the book as his “Underrated” Book Club Pick with Literati The chilling truth is that his story could have been mine. The tragedy is that my story could have been his. In December 2000, the Baltimore Sun ran a small piece about Wes Moore, a local student who had just received a Rhodes Scholarship. The same paper also ran a series of articles about four young men who had allegedly killed a police officer in a spectacularly botched armed robbery. The police were still hunting for two of the suspects who had gone on the lam, a pair of brothers. One was named Wes Moore. Wes just couldn't shake off the unsettling coincidence, or the inkling that the two shared much more than space in the same newspaper. After following the story of the robbery, the manhunt, and the trial to its conclusion, he wrote a letter to the other Wes, now a convicted murderer serving a life sentence without the possibility of parole. His letter tentatively asked the questions that had been haunting him: Who are you? How did this happen? That letter led to a correspondence and relationship that have lasted for several years. Over dozens of letters and prison visits, Wes discovered that the other Wes had had a life not unlike his own: Both had had difficult childhoods, both were fatherless; they'd hung out on similar corners with similar crews, and both had run into trouble with the police. At each stage of their young lives they had come across similar moments of decision, yet their choices would lead them to astonishingly different destinies. Told in alternating dramatic narratives that take readers from heart-wrenching losses to moments of surprising redemption, *The Other Wes Moore* tells the story of a generation of boys trying to find their way in a hostile world. **BONUS:** This edition contains a new afterword and a *The Other Wes Moore* discussion guide.

Arthur Miller is regarded as one of the most important playwrights of the twentieth century, and his work continues to be widely performed and studied around the world. This updated Companion includes Miller's work since the publication of the first edition in 1997 - the plays *Mr Peters' Connections*, *Resurrection Blues*, and *Finishing the Picture* - and key productions of his plays since his death in 2005. The chapter on Miller and the cinema has been completely revised to include new films, and demonstrates that Miller's work remains an important source for filmmakers. In addition to detailed analyses of plays including *Death of a Salesman* and *The Crucible*, Miller's work is also placed within the context of the social and political climate of the time. The volume closes with a bibliographic essay which reviews the key studies of Miller and also contains a detailed chronology of the work of this influential dramatist.

Seminar paper from the year 2007 in the subject American Studies - Literature, grade: 1,3, University of Freiburg (Englisches Seminar), course: 20th Century American Drama: Tennessee Williams and Arthur Miller, 12 entries in the bibliography, language: English, abstract: The purpose of this term paper is to examine how the characters in Arthur Miller's plays are confronted with guilt and responsibility and how they deal with it. Furthermore, I want to demonstrate how personal, individual guilt and responsibility not only become a matter for the individual but also have an important impact on the community and the society. According to Miller, there is a really strong mutual relationship between the individual and society. He states: "Society is inside man and man is inside society, the water is in the fish, the fish is in the water." Miller's main protagonists always try to defend themselves against an accusation, to deny their responsibility and guilt, and to believe in their innocence. Bigsby mentions what all of the characters concerning innocence and guilt have in common: ..". [They] spend much of their time rebutting charges whose justice they acknowledge even as they are rejected. They are people who try to escape the consequences of their actions, who try to declare their innocence even when that involves implying the guilt of others." This truly applies for the plays and characters I will observe in the following. I decided to focus on two plays published in the 1940s and 1950s: *All My Sons* (1947) and *The Crucible* (1953). Their main protagonists experience confrontation with themselves which finally leads to death. Most emphasis will be laid on *All My Sons* as there we have a number of characters dealing with guilt and responsibility, namely Chris, Larry, Kate, and Joe Keller. In addition, I will discuss the character of Proctor in *The Crucible*. The dominant question in these characters becomes this one: "How can a human being work out the interconnections among

Great Russian playwright's tragic masterpiece portrays the inner anguish of a tormented artist who burns with unrequited love. Acclaimed as a prototype of 20th-century drama, it brilliantly reveals the universal tragedy of ruined hopes and dreams.

All My Sons Penguin

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

*Arthur Miller for the Twenty-First Century: Contemporary Views of His Writings and Ideas* brings together both established Miller experts and emerging commentators to investigate the sources of his ongoing resonance with audiences and his place in world theatre. The collection begins by exploring Miller in the context of 20th-century American drama. Chapters discuss Miller and Eugene O'Neill, Tennessee Williams, Edward Albee, David Mamet, and Sam Shepard, as well as thematic relationships between Miller's ideas and the explosion of significant women and African American dramatists since the 1970s. Other essays focus more directly on interpretations of Miller's individual works, not only plays but also essays and fiction, including a discussion of *Death of a Salesman* in China. The volume concludes by considering Miller and current cultural issues: his work for human rights, his depiction of American ideals of masculinity, and his anticipation of contemporary posthumanism.

On the surface, the life of Ken Carpenter, a solidly married fifty-seven-year-old insurance salesman, is uneventful: silent rides in his luxury sedan, cafeteria

encounters with Salisbury steak and lime Jell-O, visits to his mother in the nursing home, and the minister's sermons at the Baptist church. Then one night he is jolted awake, tortured by the discovery that he no longer believes in God. Encouraged by his minister, Ken decides to find himself and his faith by impulsively flying to London, where he navigates the new and somewhat dangerous realm of British counterculture. Tracy Letts's play dares to ask the big questions, revealing the hidden yearning and emotion that can spur eccentric behaviour in outwardly conventional people.

The forgotten classic that launched the career of one of America's greatest playwrights A Penguin Classic It took more than fifty years for *The Man Who Had All the Luck* to be appreciated for what it truly is: the first stirrings of a genius that would go on to blossom in such masterpieces as *Death of a Salesman* and *The Crucible*. Infused with the moral malaise of the Depression era, the parable-like drama centers on David Beeves, a man whose every obstacle to personal and professional success seems to crumble before him with ease. But his good fortune merely serves to reveal the tragedies of those around him in greater relief, offering what David believes to be evidence of a capricious god or, worse, a godless, arbitrary universe. David's journey toward fulfillment becomes a nightmare of existential doubts, a desperate grasp for reason in a cosmos seemingly devoid of any, and a struggle that will take him to the brink of madness. This Penguin Classics edition includes an introduction by Christopher Bigsby. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

A true modern classic from one of the twentieth century's most significant writers, *Long Day's Journey into Night* is an intensely autobiographical, magnificently tragic portrait of the author's own family - a play so acutely personal that he insisted it was not published until after his death. One single day in the Tyrone's Connecticut home. James Tyrone Snr is a miser, a talented actor who even squanders his talent in an undemanding role; eldest son Jamie is an affable, whoremongering alcoholic and confirmed ne'er-do well; youngest son Edmund is poetic, sensitive, suffering from a respiratory condition and deep-seated disillusionment; and their mother Mary, living in a haze of self-delusion and morphine addiction. Existing together under this roof, and the profound weight of the past, they subtly tear one another apart, shred by shred. 'Set in 1912, the year of O'Neill's own attempted suicide, it is an attempt to understand himself and those to whom he was irrevocably tied by fate and by love. It is the finest and most powerful play to have come out of America' Christopher Bigsby Eugene O'Neill's play *Long Day's Journey into Night* was written in 1939-41, and first

published in 1956 (after O'Neill's death in 1953). It was first performed at the Royal Dramatic Theatre, Stockholm, in February 1956, and had its first American production at Helen Hayes Theater, New York, in November that year. It won the Tony Award for Best Play, and O'Neill was posthumously awarded the 1957 Pulitzer Prize for Drama. This edition includes a full introduction, biographical sketch and chronology.

**#1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME** The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. “The kind of book that can be life-changing.” —The New York Times “Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank.” —USA Today **DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.**

From legendary playwright August Wilson comes the powerful, stunning dramatic bestseller that won him critical acclaim, including the Tony Award for Best Play and the Pulitzer Prize. Troy Maxson is a strong man, a hard man. He has had to be to survive. Troy Maxson has gone through life in an America where to be proud and black is to face pressures that could crush a man, body and soul. But the 1950s are yielding to the new spirit of liberation in the 1960s, a spirit that is changing the world Troy Maxson has learned to deal with the only way he can, a spirit that is making him a stranger, angry and afraid, in a world he never knew and to a wife and son he understands less and less. This is a modern classic, a book that deals with the impossibly difficult themes of race in America, set during the Civil Rights Movement of the 1950s and 60s. Now an Academy Award-winning film directed by and starring Denzel Washington, along with Academy Award and Golden Globe winner Viola Davis.

creepy story."—Refinery29 "A twisty, delirious read"—EntertainmentWeekly.com "A deliciously creepy read."—New York Post MEET HANNA: Seven-year-old Hanna is a sweet-but-silent angel in the eyes of her adoring father Alex. He's the only person who understands her. But her mother Suzette stands in her way, and she'll try any trick she can think of to get rid of her. Ideally for good. MEET SUZETTE: Suzette loves her daughter, but after years of expulsions and strained home schooling, her precarious health and sanity are weakening day by day. She's also becoming increasingly frightened by Hanna's little games, while her husband Alex remains blind to the failing family dynamics. Soon, Suzette starts to fear that maybe their supposedly innocent baby girl may have a truly sinister agenda. A battle of wills between mother and daughter reveals the frailty and falsehood of familial bonds in award-winning playwright and filmmaker Zoje Stage's tense novel of psychological suspense, *Baby Teeth*. "Unnerving and unputdownable, *Baby Teeth* will get under your skin and keep you trapped in its chilling grip until the shocking conclusion."—New York Times bestselling author Lisa Scottoline "We Need to Talk About Kevin meets *Gone Girl* meets *The Omen*...a twisty, delirious read that will constantly question your sympathies for the two characters as their bond continues to crumble."—Entertainment Weekly "A pulse-spiking thriller."—PopSugar

"Never before, the entire history of the American theater, has so much of the truth of black people's lives been seen on the stage," observed James Baldwin shortly before *A Raisin in the Sun* opened on Broadway in 1959. Indeed Lorraine Hansberry's award-winning drama about the hopes and aspirations of a struggling, working-class family living on the South Side of Chicago connected profoundly with the psyche of black America--and changed American theater forever. The play's title comes from a line in Langston Hughes's poem "Harlem," which warns that a dream deferred might "dry up/like a raisin in the sun." "The events of every passing year add resonance to *A Raisin in the Sun*," said The New York Times. "It is as if history is conspiring to make the play a classic." This Modern Library edition presents the fully restored, uncut version of Hansberry's landmark work with an introduction by Robert Nemiroff. Includes: *Coastal Disturbances*, *Painting Churches*. *The Art of Dining* and *Museum*.

While the Grohl family had always been musical-the family sang together on long car trips, harmonizing to Motown and David Bowie-Virginia never expected her son to become a musician, let alone a rock star. But when she saw him perform in front of thousands of screaming fans for the first time, she knew that rock stardom was meant to be for her son. And as Virginia watched her son's star rise, she often wondered about the other mothers who raised sons and daughters who became rock stars. Were they as surprised as she was about their children's fame? Did they worry about their children's livelihood and wellbeing in an industry fraught with drugs and other dangers? Did they encourage their children's passions despite the odds against success, or attempt to dissuade them from their grandiose dreams? Do they remind their kids to pack a warm coat when they go on tour? Virginia decided to seek out other rock star mothers to ask these questions, and so began a two-year odyssey in which she interviewed such women as Verna Griffin, Dr. Dre's mother; Marianne Stipe, Michael Stipe of REM's mother; Janis Winehouse, Amy Winehouse's mother; Patsy Noah, Adam Levine's mother; Donna Haim, mother of the Haim sisters; Hester Diamond, Mike D of The Beastie Boys' mother. With exclusive family photographs and a foreword by Dave Grohl, *From Cradle to Stage* will appeal to mothers and rock fans everywhere.

No American playwright is more revered on the international stage than Arthur Miller. In Arthur

Miller's Global Theater—a fascinating collection of new essays by leading international critics and scholars—readers learn how and why audiences around the world have responded to the work of the late theatrical icon. With perspectives from diverse corners of the globe, from Israel to Japan to South Africa, this groundbreaking volume explores the challenges of translating one of the most American of American playwrights and details how disparate nations have adapted meaning in Miller's most celebrated dramas. An original and engaging collection that will appeal to theater aficionados, scholars, students, and all those interested in Miller and his remarkable oeuvre, Arthur Miller's Global Theater illustrates how dramas such as *Death of a Salesman*, *The Crucible*, and *A View from the Bridge* developed a vigorous dialogue with new audiences when they crossed linguistic and national borders. In these times when problems of censorship, repressive regimes, and international discord are increasingly in the news, Arthur Miller's voice has never been more necessary as it continues to be heard and celebrated around the world. Enoch Brater is the Kenneth T. Rowe Collegiate Professor of Dramatic Literature at the University of Michigan. His other books include *Arthur Miller: A Playwright's Life and Works* and *Arthur Miller's America*.

Eddie Carbone is a longshoreman and a straightforward man, with a strong sense of decency and of honour. For Eddie, it's a privilege to take in his wife's cousins, straight off the boat from Italy. But, as his niece begins to fall for one of them, it's clear that it's not just, as Eddie claims, that he's too strange, too sissy, too careless for her, but that something bigger, deeper is wrong, and wrong inside Eddie, in a way he can't face. Something which threatens the happiness of their whole family.

*Great Expectations* is the thirteenth novel by Charles Dickens and his penultimate completed novel. It depicts the education of an orphan nicknamed Pip. It is Dickens's second novel, after *David Copperfield*, to be fully narrated in the first person.

In this groundbreaking new work, David Kessler—an expert on grief and the coauthor with Elisabeth Kübler-Ross of the iconic *On Grief and Grieving*—journeys beyond the classic five stages to discover a sixth stage: meaning. In 1969, Elisabeth Kübler-Ross first identified the stages of dying in her transformative book *On Death and Dying*. Decades later, she and David Kessler wrote the classic *On Grief and Grieving*, introducing the stages of grief with the same transformative pragmatism and compassion. Now, based on hard-earned personal experiences, as well as knowledge and wisdom earned through decades of work with the grieving, Kessler introduces a critical sixth stage. Many people look for “closure” after a loss. Kessler argues that it's finding meaning beyond the stages of grief most of us are familiar with—denial, anger, bargaining, depression, and acceptance—that can transform grief into a more peaceful and hopeful experience. In this book, Kessler gives readers a roadmap to remembering those who have died with more love than pain; he shows us how to move forward in a way that honors our loved ones. Kessler's insight is both professional and intensely personal. His journey with grief began when, as a child, he witnessed a mass shooting at the same time his mother was dying. For most of his life, Kessler taught physicians, nurses, counselors, police, and first responders about end of life, trauma, and grief, as well as leading talks and retreats for those experiencing grief. Despite his knowledge, his life was upended by the sudden death of his twenty-one-year-old son. How does the grief expert handle such a tragic loss? He knew he had to find a way through this unexpected, devastating loss, a way that would honor his son. That, ultimately, was the sixth state of grief—meaning. In *Finding Meaning*, Kessler shares the insights, collective wisdom, and powerful tools that will help those experiencing loss. *Finding Meaning* is a necessary addition to grief literature and a vital guide to healing from tremendous loss. This is an inspiring, deeply intelligent must-read for anyone looking to journey away from suffering, through loss, and towards meaning.
