Lack of employee engagement is like a cancer, eating away at your organization's vital organs. It saps your organization's strength, directly affecting your organization's ability to achieve the levels of customer satisfaction, productivity and profitability you know you could achieve. Keith Ayers presents a compelling argument that the focus on engagement has failed because leaders think engagement can be bought through bonuses, benefits, and share options. That is like trying to cure cancer with an aspirin or band-aid. The cure for the cancer of disengagement is for leaders to look in the mirror at the leadership they provide. In this in-depth exploration of the leadership skills needed to get every employee to want to perform at their best, Ayers challenges leaders to stop focusing on engagement, and set their sights on igniting the fire of passion in their employees.

This new book by best-selling author Cindy Trimm, *The Art of War for Spiritual Battle* will become the "go-to" manual for preparing Christians to have victory in today's spiritual battles with the enemy through strategic spiritual warfare and powerful intercessory prayer.

Learn to Pray Straight from God's Heart. As sheep of

the Lord's pasture, we all have the ability to hear His voice. When you open the door to two-way conversation—hearing from God while you pray—you will learn to pray what is on His heart. And the clearer the lines of communication, the more effectively you can speak the mind and will of God into the lives of people in need and you will see more miraculous breakthrough occur. With the ranks of intercessors and prayer warriors rapidly growing worldwide, Prophetic Intercession will take you to a new leading-edge level of communication, like replacing two tin cans with the latest in digital state-of-the-art telecommunications!

God has dreams—just for you. *Becoming Myself* is a hope-filled book for anyone who wonders if her life will ever change—if she will ever change. In Stasi Eldredge's most intimate book yet, she shares her own struggles with self-worth, weight, and her past as she shows readers how God is faithfully unveiling who we truly are. Stasi urges you to lay down your past thoughts about yourself and receive God's incredible dreams for you instead. We cannot heal ourselves. We cannot become ourselves by ourselves. But we are not by ourselves. The King of love wants to help us become. God desires to restore us—the real us. As he heals our inner life, he calls us to rise to the occasion of our lives. The most important journey any woman can take is the journey into becoming her true self through the love of God.

It's a beautiful paradox. The more of God's you become, the more yourself you become—the "self" he had in mind when he thought of you before the creation of the world. Discover your truest self—the woman God created you to be—in *Becoming Myself*. God's plan for all of those who choose to follow Him is a life of joy and abundance. However, while God intended us to live a life of health, harmony and happiness, most live a life of stress, struggle and strife. The main problem most people have in realizing all that God has for them is not merely unbelief; it is the inability to escape their "Comfort Zones." Comfort Zones can prevent people from reaching total joy and success in many areas of their lives such as in marriage, relationships with their children and families, on the job, in business, and with their finances. In fact, Comfort Zones prevent people from enjoying a full relationship with God, as they also hinder worship, prayer and faith. You cannot fully receive your blessings until you have stepped out of your Comfort Zones. *"Beyond Your Comfort Zones: How to Realize Your Full Potential,"* by Dr. Calvin Elision (Dr. E.) will take you on a methodical journey from fear to freedom and position you to be able to better receive from God. The 12 Disciples suffered from major Comfort Zone issues as did Abraham. However, they moved beyond those mental barriers and realized all that God had intended for them, and so can you. *Beyond Your*

Comfort Zones will take you step-by-step to detect and recognize Comfort Zones that exist in areas you may not have thought of before and then it will show you exactly how to move beyond them. Backed by dozens of scriptural references, Dr. E points out that the solutions to move beyond Comfort Zones and receive your blessings are all a part of God's Word. However, Dr. E makes it so clear and plain that you will immediately be able to relate Biblical understanding to your daily life. After reading, "Beyond Your Comfort Zones: How to Realize Your Full Potential," you will have significantly grown and stepped out of your Comfort Zones into the great unknown. You will come away from this book with a renewed understanding and appreciation for the Word of God, a heightened sense of love and forgiveness, and the knowledge of how to turn imagination into manifestation.

This book contains powerful warfare prayers and decrees taken from Scripture that will break the powers of darkness and release the blessings and favor of God.

"Let There Be A Change" is a must have Personal Deliverance prayer book that will transform your life and bring restoration into every area of your life. What is Deliverance? Deliverance means to loose the bounds of wickedness. A lot of people are under the bondage of wickedness. If you look at the lives of many people, you will discover a wide array of

wicked occurrences. If your life is surrounded by wicked mysterious happenings, you need to seek deliverance as soon as possible. Deliverance centers on the destruction of the yoke of the enemy. A yoke is anything that hinders or sets you back. Whatever sets you back from moving forward in your life is a yoke. God's will is that you move forward and attain divine goals set for your life. When the contrary happens, there is a bondage hanging above your life. Deliverance is to break curses and evil covenants. The ancestors of many people were cursed and the curses have flown down the family line. For example, if a person struggles without any tangible achievement in life, there is a problem somewhere.

Your Breakthrough Is Only a PUSH Away Today’s world knows little about perseverance. This is why so few people become innovators, entrepreneurs, and world-changers. In her encouraging and dynamic style, Dr. Cindy Trimm inspires you to go for it. It is one thing to read about the lives of great achievers—it is another thing to join their ranks. Learn how to: • Carry your dreams, visions, and goals “full term” and to complete fulfillment • Exercise the power of faith to overcome the impossible and release God’s supernatural purposes into your life • Resist the temptation to ‘cave’ under pressure and press on even when you don’t feel like it anymore • Empower others to fulfill their divine destinies through co-laboring with them “If you dare to believe that God has something great in store for you to do, to accomplish, or to achieve, you must be prepared to persevere in spite of your hardship, setbacks, and challenges in order to realize your dreams and accomplish your goals. This book is written to give you that extra push.” —Cindy Trimm

Miles McPherson, founder of The Rock Church in San Diego, presents “a discussion about race that we desperately need...a must read” (Bishop T.D. Jakes, Senior Pastor, The Potter’s House) and argues that we must learn to see people not by the color of their skin, but as God sees them—humans created in the image of God. Pastor Miles McPherson, senior pastor of The Rock Church in San Diego, addresses racial division, a topic many have shied away from, for fear of asking the wrong question or saying the wrong thing. Some are oblivious to the impact racism has, while others pretend it doesn’t exist. Even the church has been affected by racial division, with Sunday now being the most segregated day of each week. Christians, who are called to love and honor their neighbors, have fallen into culture’s trap by siding with one group against another: us vs. them. Cops vs. protestors. Blacks vs. whites. Racists vs. the “woke.” The lure of choosing one option over another threatens

God's plan for unity among His people. Instead of going along with the culture, Pastor Miles directs us to choose the Third Option: honoring the priceless value of God's image in every person we meet. He exposes common misconceptions that keep people from engaging with those of different racial and ethnic backgrounds, and identifies the privileges and pitfalls that we all face. The Third Option challenges us to fully embrace God's creativity and beauty, as expressed in the diversity of His people. By following the steps and praying the prayers outlined in his book, Pastor Miles teaches us how we can all become leaders in unifying our communities, our churches, and the nation.
