A group of desperate prospectors, hungry and exhausted. Will the promise of gold keep them from each other's throats? It's the late 1800s, and thousands are flocking to Canada's Klondike region in the hopes of striking it lucky. "The Wisdom of the Trail" follows a small group of Americans and indigenous people, traveling a dangerous trail. The weather is icy cold and their supplies are running low. With frustrations beginning to bubble over, this treasure hunt could soon turn into a bloodbath. Set in the same snowy landscape as his classic "The Call of the Wild", this is one of Jack London's leanest, most intense adventures. Jack London (1876–1916) was one of the first American writers to achieve worldwide celebrity. He did so with rugged adventure stories set in forbidding landscapes. And heroes who survive by embracing their most primal instincts. His breakthrough best seller was "The Call of the Wild". Inspired by his time in the Klondike Gold Rush, this hard-hitting novel is told from the perspective of a sled dog named Buck. It's inspired many adaptations, including a big-budget movie starring Harrison Ford. Among London's other notable works are "White Fang", also featuring a canine protagonist, as well as "The Sea-Wolf", "Martin Eden" and "The Iron Heel".

Mallard Fillmore lampoons everything from political correctness to Phil, Oprah, and Geraldo to our government's insatiable appetite for spending our money. His marvelous supporting cast includes wickedly wonderful caricatures of everyone who's anyone, from Hollywood to D.C. to Arkansas.

In an age of skepticism and disenchantment, people long for something that satisfies our mind's search for truth and our heart's desire for beauty and meaning. Stand Firm: Apologetics and the Brilliance of the Gospel argues that the gospel satisfies both of these needs. It is true and rational, but it is also inherently attractive and provides meaning and purpose. In short, the gospel is brilliant. It is brilliant, in one sense, because of the broad variety of evidences for its truth. But it is also brilliant given its beauty, goodness and the meaningful life it offers. The book provides up to date responses to questions about the existence of God, the reliability of the Bible, Jesus and the resurrection, and the problem of evil. It also treats unique topics such as understanding truth, knowledge and faith, the claims of alternate faiths, religious disagreement, etc. Each chapter attempts to connect these considerations with the gospel so that we may stand firm in our faith.

The present volume contains the proceedings of the Seventh International East-West Symposium of New Testament Scholars in Moscow 2016. Its contributions are devoted to different aspects of the question of the relation between history and theology in New Testament and extracanonical Gospel literature. They deal with problems regarding the impact of critical historical approaches for New Testament theology, the relation between the Gospels' claim for truth and historical facts, Orthodox receptions of the Gospel literature, and the presentation of "the" Gospel in Byzantine liturgy.

The twelfth-century French poet Chrétien de Troyes is a major figure in European literature. His courtly romances fathered the Arthurian tradition and influenced countless other poets in England as well as on the continent. Yet because of the difficulty of capturing his swift-moving style in translation, English-speaking audiences are largely unfamiliar with the pleasures of reading his poems. Now, for the first time, an experienced translator of medieval verse who is himself a poet provides a translation of Chrétien's major poem, Yvain, in verse that fully and satisfyingly captures the movement, the sense, and the spirit of the Old French original. Yvain is a courtly romance with a moral tenor; it is ironic and sometimes bawdy; the poetry is crisp and

vivid. In addition, the psychological and the socio-historical perceptions of the poem are of profound literary and historical importance, for it evokes the emotions and the values of a flourishing, vibrant medieval past.

Three teenage boys, the sole survivors of a shipwreck, find themselves marooned on a deserted island in the South Pacific. With little more than a telescope and a broken knife, the youths must find food and shelter and learn to survive. But though the coral island is a tropical paradise, full of natural beauty and exotic fruits and wildlife, dangers and adventures abound: sharks, pirates, and even bloodthirsty cannibals! Scottish-born R.M. Ballantyne (1825-1894) wrote more than ninety books for young people during the Victorian era, the most famous of which is *The Coral Island* (1857), a tale whose popularity has proved so enduring that it has never been out of print. A thrilling story in the tradition of *Robinson Crusoe* and a key influence on later classics such as Robert Louis Stevenson's *Treasure Island* and William Golding's *Lord of the Flies*, *The Coral Island* is presented here in a new scholarly edition that includes the unabridged text of the first British edition, a new introduction and notes by Ralph Crane and Lisa Fletcher, and the original illustrations by the author.

Of the fish patrolmen under whom we served at various times, Charley Le Grant and I were agreed, I think, that Neil Partington was the best. He was neither dishonest nor cowardly; and while he demanded strict obedience when we were under his orders, at the same time our relations were those of easy comradeship, and he permitted us a freedom to which we were ordinarily unaccustomed, as the present story will show.

Twelve Years a Slave (1853) is a memoir and slave narrative by Solomon Northup, as told to and edited by David Wilson. Northup, a black man who was born free in New York, details his kidnapping in Washington, D.C. and subsequent sale into slavery. After having been kept in bondage for 12 years in Louisiana by various masters, Northup was able to write to friends and family in New York, who were in turn able to secure his release. Northup's account provides extensive details on the slave markets in Washington, D.C. and New Orleans and describes at length cotton and sugar cultivation on major plantations in Louisiana.

'On Form' assesses both the legacy of Victorian aestheticism and the nature of the literary. It tracks the development of the world 'form' since the Romantics and offers readings of, among others, Tennyson, Yeats and Plath. Original readings of poetry are combined with a powerful argument about the nature of aesthetic pleasure.
