Do you want a deeper relationship with God, to sense His presence, to feel His guidance, and to learn His ways? In *The Gift of Prayer*, trusted pastor and bestselling author Dr. Charles Stanley explains that prayer ushers us into the throne room of God where we find a personal, loving, and holy God eager to share Himself with us. Prayer is not magic; it's not about speaking the right string of words or using the correct formula so that God will move on our behalf. Instead, it's about communicating on a heart-to-heart level with the Lord of the universe. In this beautiful book, Dr. Stanley explores questions such as: What are the benefits of prayer? Why is the answer to prayer sometimes no? What should I pray for? Perfect for new believers and more seasoned Christians, *The Gift of Prayer* is for anyone hungry to hear from God and to be changed through a close, personal relationship with Him.

Arterburn and Stoeker, the authors of the bestseller "Every Man's Battle," now focus on the temptations young single Christian men face every day, and offer workable, biblical strategies for achieving sexual purity.

This is the story of David Wilkerson, the man who believed against the odds that God could do great things in the rejected and ignored of New York City, who refused to give up on those on the streets even when they had given up on themselves, and who saw in the eyes of the drug addicts and gang members what others failed to see—the love of Jesus Christ. But who was David Wilkerson? Many Christians don't really know. More often than not, we saw the fruit of his faith in God rather than the man himself. When Wilkerson moved to New York from rural Pennsylvania in 1958 to confront the gangs who ran the streets, he was a skinny, 120-pound man. After the initial publicity that brought him face to face with some of the most dangerous young men of the city, he largely flew under the radar of the media, using the Word of God and a bit of tough love to help men and women of the street escape the destructive spiral of drugs and violence. Wilkerson was always the real deal, full of passion and conviction, not interested in what others said was the "right" or political thing to do. Wilkerson later founded the Times Square Church, now a non-denominational mega-church of 8,000 members, to this day a crossroads for those battling sin, drugs, and pornography, and a place where the message of Christ is discussed. He created the faith-based program Teen Challenge to wean addicts off drugs, and then World Challenge, dedicated since its beginning to promoting and spreading the Gospel throughout the world. Both now have branches worldwide, continuing the work that God began in the life of one man who believed David Wilkerson was a man of faith who trusted God would give him what he needed to enter a world of crime and killing. He was a man of conviction who took the dream God gave him and marched forward without ever looking back. And he was a man of vision who could not be shaken from his beliefs—sometimes even when counseled otherwise. David Wilkerson was the preacher of New York City.

Nostradamus, or Michel de Nostredame, was a physician and astrologer during the time of the Black Death. His most famous book "Les Prophéties," or "the Prophecies," was first published in 1555. Some scholars believe that, in this volume, he predicted a number of world events, such as the rise of Napoleon and the death of Hitler, and that it also

predicts the coming of the Antichrist and the end of the world. This volume contains annotations and parallel texts. A modern English translation accompanies the original, Mediaeval French—the language in which Nostradamus originally wrote his prophecies—, helping the reader to understand both the original language and the translation of this critical work of eschatology. This edition also contains fragments of the questionable 11th and 12th centuries.

The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

You are deeper than your life shows, and you know it. You are more loving than your relationships allow, more brilliant than your career suggests. In your secret depth of being, you are infinite, creative, boundless and utterly unable to press your full glory into the world. Or so it seems. In *Blue Truth*, David Deida presents a treasury of skills and insights for uncovering and offering your true heart of purpose, passion, and unquenchable love. In Part One, Deida shows you how to open as the entirety of the moment, feeling as deep inside and as far outside as you can, for as long as now opens. In Part Two, he reveals how to walk this path in the wilderness of intimate relationship, illuminating the art and play of sexual gifting, including how to expertly navigate the tangle of anger, jealousy, fear, lust, and much, much more. "Knowing the truth is fairly useless; feeling it is profound; living it makes all the difference," teaches David Deida. With *Blue Truth*, you have an unprecedented guide for living your own deep truth, and awakening "as the bare openness you are, in the free offering of love to all." *Blue Truth* was named by *Spirituality & Health Magazine* (June 2006 issue) as one of the Best Spiritual Books of 2005, in the Personal Growth category. Praise "Blue Truth is a brilliant book, absolutely gorgeous. Ancient wisdom on sacred sexuality, freed of historical and cultural trappings, glows from these pages in exhilarating, luminous prose. Deida brilliantly lays bare the hidden psychology of feminine and masculine and offers clear instructions for tapping into our deepest core and achieving true harmony through sexual intimacy. I feel that Deida has reached a new level of poetic genius in his writing, and his understanding of feminine psychology astounds me. I am just knocked out by this book." —Miranda Shaw, PhD, author of *Passionate Enlightenment: Women in Tantric Buddhism* "David Deida is in the dynamic living oral tradition of maverick spiritual teachers who, like free-jazz musicians, can riff directly on Reality, outside of established forms. Mark my words: in a future that I hope is not too far off, David Deida's original Western Dharma will be widely known as one of the most sublime and accessible expressions of the essence of spiritual practice that is freely offered today." —Lama Surya Das, bestselling author of *Awakening the Buddha Within* "The openness, the love! What lively new language David Deida finds for the unsayable." —Coleman Barks, author of *The Essential Rumi*

What is prayer? Are we really praying when we pray? Do we know the power of prayer? These matters and others must be understood if we would have a real prayer life and be effective in prayer. In this little volume of collected messages given over a long period of ministry by the author, and which are now translated and published in English for the first time, Watchman Nee shares with us the lessons on prayer that he has learned through the years. He considers prayer to be a mystery, though not something that is incomprehensible. He views prayer as the greatest work to which men are called. It is a working together with God. Through it, God's purpose is accomplished and Satan's intentions are broken. And its benefit to the one who prays is something great as well. Let us therefore follow the admonition of our blessed Lord, who said: "Rise and pray" (Luke 22.46).

An intriguing exploration of the great transition between life and the after-life.

16 MILLION COPIES SOLD 'A book to read, to cherish, to debate, and one that will ultimately keep the memories of the victims alive' John Boyne, author of The Boy in the Striped Pyjamas A prominent Viennese psychiatrist before the war, Viktor Frankl was uniquely able to observe the way that both he and others in Auschwitz coped (or didn't) with the experience. He noticed that it was the men who comforted others and who gave away their last piece of bread who survived the longest - and who offered proof that everything can be taken away from us except the ability to choose our attitude in any given set of circumstances. The sort of person the concentration camp prisoner became was the result of an inner decision and not of camp influences alone. Frankl came to believe man's deepest desire is to search for meaning and purpose. This outstanding work offers us all a way to transcend suffering and find significance in the art of living.

Rev. E. Gene Vosseler has been a warrior of the Spirit and a devotee of the Christ and the Buddha for decades. As he has walked this path he has seen his life unfold in three distinct phases. The first was his youth and service as a fourth-generation Lutheran minister. In those thirty-eight years he served as a missionary in British Guiana, raised five children, and built a thriving church in Hawaii. It was a life of outer success. But it did not feed his soul. The second phase was a time of "divine dis-content." He left the Lutheran church, explored Taoism, became a Unitarian minister for two years, was arrested with Joan Baez in an antiwar protest, studied under a Buddhist master, and built and lost a multimillion dollar corporation--all in a twelve-year search for spiritual truth. The third phase began at the age of fifty, when Gene found the ascended masters and his spiritual teacher, Elizabeth Clare Prophet. He also met his twin flame, Wanda. He says this was when his "real" life began. The mystic in Gene found expression as he travelled all over America and the world with a message of higher consciousness. He became a minister again, taught Buddhism and Taoism at Summit University, took on leadership roles, and went through the inner tests and trials of chelaship and the spiritual path. The warrior in Gene would take on anyone--from Marxist professors to movie stars to the political establishment in Washington--in the defense of the truth as he saw it. In this book Gene candidly reveals his inner walk as the mystic and the warrior became one. It is the story of an ordinary man and his extraordinary life--a spiritual warrior and his personal quest for Soul Freedom. The life lessons he shares can assist each of us in the liberation of our own soul."

A classic study of the Biblical doctrine of spirituality.
