(Book). Art Song: Linking Poetry and Music is a follow-up to author Carol Kimball's bestselling Song: A Guide to Art Song Style and Literature . Rather than a general survey of art song literature, the new book clearly and insightfully defines the fundamental characteristics of art song, and the integral relationship between lyric poetry and its musical settings. Topics covered include poetry basics for singers, exercises for singers in working with poetry, insights into composers' musical settings of poetry, building recital programs, performance suggestions, and recommended literature for college and university classical voice majors. The three appendices address further aspects of poetry, guidelines for creating a recital program, and representative classical voice recitals of various descriptions. Art Song: Linking Poetry and Music is extremely useful as an "unofficial" text for college/university vocal literature classes, as an excellent resource for singers and voice teachers, and of interest to all those who are fascinated by the rich legacy of the art song genre.

In the early days of radio, there were employment opportunities for women as singers, musicians, actors, and hosts of women's interest shows, but few opportunities for them to do much more, not to mention host their own music or comedy programs. Vaughan deLeith, the "Original Radio Girl," was one of the first women to break into radio and pave the way for others to follow. It is estimated that from 1920 to 1936, deLeith received three million pieces of fan mail, wrote more than 200 published songs, made more than 300 phonograph records and Edison cylinders, and sang 15,000 songs on the air. The women who worked in and on radio in its four greatest decades are given their due in this comprehensive work. Readers will find Bertha Brainard, Judith Waller, Jessica Dragonette, Kate Smith, the Boswell Sisters, the Andrews Sisters, the Carter Sisters, Wilma Lee Cooper, Kitty Wells, Gracie Allen, and Minnie Pearl, among many, many other women who were on the radio. Nine extended entries cover pioneers, Mary Garden and Chicago radio, singers, country musicians, comediennes, husband-and-wife talk shows, women in daytime serials (soap operas), family values, and gender discrimination facing women in radio.

"Millie McGonigle lives in sunny California, where her days are filled with beach and surf. It should be perfect--but times are tough. Hitler is attacking Europe and it looks like the United States may be going to war. Food is rationed and money is tight. And Millie's sickly little sister gets all the attention and couldn't be more of a pain if she tried. It's a time of sunshine, siblings, and stress. Will Millie be able to find her way in her family, and keep her balance as the world around her loses its own?"--

After her older sister is murdered in a horrific incident of domestic abuse, Taylor begins a new life in a new town. She meets Lily, whose open, warm manner conceals a difficult personal life of her own, coping with her brain-injured mother. The two girls embark on a tentative friendship. But just when life seems to be smoothing out, Taylor's abusive boyfriend, Devon, arrives on the scene, and before they know it, the girls find themselves in a situation that is both scary, and incredibly dangerous. Abetted by Conor, a friend who owes him a favor, Devon takes the girls to a remote cabin. There is no heat, no food, no water. There is a hunting rifle, which Devon uses to intimidate the others. As he becomes increasingly agitated, and Conor threatens to bail, the girls engage in a silent battle of their own. Lily wants to escape, while Taylor feels hopelessly trapped by her relationship with Devon and uses sex and flattery to try to keep the situation calm. The cabin becomes a pressure cooker, filled with tension as the four teenagers wrestle with their anger, fear, resentment and boredom - any one of which could tip the situation into disaster. From the opening moments when Taylor witnesses her sister's autopsy to the final cathartic scene after the two girls have survived their ordeal, the reader is glued to every page of this frank, gripping and beautifully written novel that raises questions for every teenager. Do you need to be a certain way to get a boyfriend? Can someone who loves you also hurt you? How can a million small compromises eat away at who you are? What happens when you don't think you deserve to be treated well? How do you end up in an abusive relationship, and what keeps you there? Elise Moser goes deeply into the hearts and minds of Lily and Taylor, who in the end save each other in unexpected ways.

"What to read after A Court of Thorns and Roses! Full of twists you'll never see coming!" –UppercaseYA I've never been a stranger to the darkness. But when darkness comes knocking and looks that good, who wouldn't invite him in? Draven is mysterious, evasive, and hot as sin. The only thing more infuriating than how much he won't say is how obnoxious he is every time he does open his mouth. But when a group of strangers attacks me and he fights back, causing them to vanish into a cloud of black dust, I know Draven is more than he seems. He finally shows me there's a veil separating the world I know from a world of demons living all around us. Turns out, good and evil are just words. Some of the demons don't fall into either category. And I'm realizing just how easily I fit in among the ancient warlocks, the divine soldiers, and the twisted supernaturals... There's so much more to me. To my past. And to what I am truly capable of than I ever thought possible. So when all signs point to me having the ability to unleash Hell on earth? I'll have to decide if I want to do the world a solid and save it, or give it one hell of a makeover. The Ember of Night series is best enjoyed in order.
