Can You Find the Magic? It's right there in front of you!  
Well, sort of. Disney historian Bob Sangwell's clever  
word search puzzles conceal key names, places, and  
things from over sixty of Disney's animated and live-  
action films. Each puzzle comes with a short historical  
introduction and features a hidden message. Beginning  
at the beginning, with Walt Disney's Laugh-O-grams, and  
ending with the recent animated film Coco, you'll find a  
word search search for each of your favorite Disney  
classic movies. Just like Walt Disney told his Imagineers  
to "plus" whatever they were working on, and make it  
even more magical, Bob plusses each humble word  
search with a hidden message, formed from the letters in  
the puzzle that are not used. The message relates to the  
topic of the puzzle and forms the basis for the short  
historical article that accompanies it. You'll not only find  
the magic...you'll learn about it, too!
