

## The Killing Game Book

When a homeless veteran is murdered, FBI special agent Megan Elliott becomes involved in a national task force investigating a series of sadistic killings, and she enters into a reluctant alliance with soldier-for-hire Jack Kincaid.

A teenager is found dead in his motel room, the cause of death: millipede poison... Now crime scene investigator Gil Grissom must aid CSI's Nick Stokes and Riley Adams against a serial killer whose knowledge of entomology rivals his own -- a brutal murderer who is not only using insects as the tools of destruction, but actually modeling the attacks after their behavior.... In the meantime, CSIs Catherine Willows and Greg Sanders must investigate a bizarre death, where the victim had gotten mixed up with two very different groups of people -- one involved in using and dealing crystal meth, the other an avant-garde group of artists -- a collision of subcultures where everyone is a suspect and nothing is as it seems....

The Killing Game Bantam

An unidentified skull... A trail of terrifying secrets... And a woman whose talented hands could reveal the shocking truth... As a forensic sculptor, Eve Duncan helps identify the dead from their skulls. Her own daughter murdered and her body never found, the job is Eve's way of coming to terms with her personal nightmare. But more terror lies ahead when she accepts work from billionaire John Logan. Beneath her gifted hands a face emerges from the skull he has given her to reconstruct—a face no one was ever meant to see. Now Eve is trapped in a frightening web of murder and deceit. Powerful enemies are determined to cover up the truth, and they will make certain that truth goes to the grave... even if Eve gets buried with it.

Top forensic sculptor Eve Duncan is forced into a deadly game of terror with a twisted murderer who uses the mysterious circumstances surrounding her daughter's death as a way to lure her to him.

Fatal attraction, primal fear, survival in the forest: From the author of the Printz Honor Book *STOLEN*, the highly anticipated thriller about deadly games played in the dark. 'A cracking story told at breakneck speed' Scotland on Sunday The Killing Tide by Lin Anderson sees forensic scientist Rhona MacLeod investigating a mysterious abandoned ship which has swept ashore in the Orkney Isles. After a fierce storm hits Scotland, a mysterious cargo ship is discovered in the Orkney Isles. Boarding the vessel uncovers three bodies, recently deceased and in violent circumstances. Forensic scientist Dr Rhona MacLeod's study of the crime scene suggests that a sinister game was being played on board, but who were the hunters? And who the hunted? Meanwhile in Glasgow DS Michael McNab is called to a horrific incident where a young woman has been set on fire. Or did she spark the flames herself? As evidence arises that connects the two cases, the team grow increasingly concerned that the truth of what happened on the ship and in Glasgow hints at a wider conspiracy that stretches down to London and beyond to a global stage. Orcadian Ava Clouston, renowned investigative journalist, believes so and sets out to prove it, putting herself in grave danger. When the Met Police challenge Police Scotland's jurisdiction, it becomes obvious that there are ruthless individuals who are willing to do whatever it takes to protect government interests. Which could lead to even more deaths on Scottish soil . . .

RITA and National Readers' Choice Award Finalist. Wildlife biologist Axelle Dehn isn't about to let anyone harm her endangered snow leopards--not the poacher intent on killing them, nor the soldier who wants to use them as bait. But Axelle is unknowingly entangled in a conflict that stretches back three decades, a conflict that could spark a war between two of the world's great nations. British SAS soldier, Ty Dempsey, is on a mission to hunt down an infamous Russian terrorist in a remote region of Afghanistan. Dempsey hasn't failed a mission yet, but when Axelle is kidnapped by the Russian, he is forced to choose between duty and his heart. He risks everything to save the determined, prickly woman he's fallen for, but in doing so sparks a deadly series of events that threaten to expose the most successful spy in history. Eve Duncan, the signature character of #1 New York Times bestselling author Iris Johansen, thought her past was long buried. Until she finds herself tracking a killer so deceptive he leaves no trace behind—except for his victims. Forensic sculptor Eve Duncan has been summoned to Baton Rouge by a high-ranking government official to identify the remains of an unknown murder victim. Eve wants nothing to do with the

project. She has finally found peace from her own tragic past, living a quiet life with Atlanta detective Joe Quinn and her adopted daughter, Jane. Then a stunning series of seemingly unrelated events turns Eve's new world upside down. Now, in a special government facility, she takes on the project of identifying the victim's skeleton. But she hasn't even begun when another death occurs. Someone totally ruthless, who can strike anywhere at any time and with seeming immunity, is determined to put a halt to her work, her life, and the lives of those she loves. Eve has stumbled onto a chilling conspiracy. There is only one person who can give her the devastating truth . . . and he's already dead.

The machinations of a new supervisor may have altered Gil Grissom's team of skillful CSIs, as Catherine Willows, Nick Stokes, and Warrick Brown are reassigned from the graveyard shift to the swing shift. That doesn't mean, however, that their paths will never cross. During the course of their separate investigations, the teams must unite again to investigate two distinct murders -- atrocities that are oddly aligned as they share much of the same collective evidence. Despite the different M.O.s, the CSIs are uncovering two wildly imperfect crimes that could possibly add up to an almost perfect one...

Born into a wealthy and powerful Boston family, Renee Charlebois has it all. Except for one small detail - she's been abducted without a trace. Who took her, and why, is a mystery. The case gets dropped on Curtis Westcott's desk, but Boston's Chief of Homicide has little to work with. No clues, no body, no motive. Renee had no enemies, no financial skeletons in the closet, and no bitter ex- boyfriends. Curtis and Aislinn Byrne, his go-to detective on tough cases, work the file hard but come up empty. Then Westcott attends a party and overhears a story that catches his attention - he and Aislinn have their first break. They dig in and unravel a complex series of crimes tied to Renee's disappearance. As they peel back the layers they are convinced Renee is still alive, but that her abductor is on a precise schedule and has every intention of killing her. It's a bizarre and twisted game, and time is quickly running out. A Killing Game is Book One in the Curtis Westcott series, set in Boston.

In the aftermath of the murder of a senator's daughter, Eve Duncan is horrified by the killer's tactic of draining the victim's blood, as the case draws her into the web of a serial killer who taunts her with hints about her missing daughter.

T.A.G. You're It... "It is 4 a.m. when they come for me. I am already awake, strung out on the fear that they will come, and fear that they won't. When I finally hear the click of the latch on the dormitory door, I have only a second to brace myself before-" At Cate's isolated boarding school *Killer* is more than a game-it's an elite secret society.

Members must avoid being "killed" during a series of thrilling pranks-and only the Game Master knows who the "killer" is. When Cate's finally invited to join *The Guild of Assassins*, she knows it's her ticket to finally feeling like she belongs. But when the game becomes all too real, the school threatens to shut it down. Cate will do anything to keep playing and save *The Guild*. But can she find the real assassin-before she's the next target?

On a quiet afternoon in the park, four-year-old Joey plays in the sandbox, when a stranger approaches looking for his puppy. While Joey's mom, Crystal, talks on her cell phone, the stranger convinces the child to help search. By the time Crystal turns around, her son has disappeared. Yet her reaction is odd, not what one would expect from a distraught mother. Is Crystal somehow involved in her son's abduction?

Meanwhile, on a ranch outside Houston, Texas Ranger Sarah Armstrong assesses a symbol left on the hide of a slaughtered longhorn, a figure that dates back to a forgotten era of sugarcane plantations and slavery. Soon other prizewinning bulls are butchered on the outskirts of the city, each bearing a similar drawing. The investigations converge at the same time a catastrophic hurricane looms in the Gulf. Finally, as dangerous winds and torrential rains pummel the city, Sarah is forced to risk her life to save Joey.

Haing Ngor's memoir of life under the communist Khmer Rouge regime in Cambodia. It's been almost 20 years since poet, revolutionary, convict, and movie star, Tupac Amaru Shakur (a.k.a 2Pac, Makaveli, or simply 'pac), was gunned down at age 25 while he sat in traffic with Suge Knight near the Las Vegas Strip following a Mike Tyson fight at MGM Grand. In the new updated and expanded third edition of this acclaimed

biography, Las Vegas crime writer Cathy Scott has finally been able to include the previously unpublished chapter featuring the account of that last fateful night from "Big Frank," the rapper's now-deceased personal bodyguard. The raw no-holds-barred narrative, which includes exclusive photo evidence (including of Tupac's autopsy), is the definitive account of the unsolved murder of Tupac Shakur: the many possible motives, the failed investigation, the rap wars, the killing of Biggie Smalls, the Bloods-Crips connection, the Suge Knight and Death Row Records association, and the subsequent fate of numerous principals involved in the aftermath. It is also a sensitive, candid, and insightful account of the contradictory icon who remains not only one of the most influential rappers ever but, with more than 75 million records sold worldwide, he's also one of the best-selling music artists of all time. The music of Tupac Shakur is the legacy of his life. The Killing of Tupac Shakur is the legacy of his death.

The "compelling true story" of "The Dating Game Killer" by the radio host and bestselling author of *Drinks, Dinner & Death* (Burl Barer, Edgar Award-winning author). Beginning in 1968 and continuing into the 1970s, a predator stalked California and New York, torturing, raping and murdering young girls and women. But who was the monster behind these tragedies? Eventually, a suspect emerged, but he didn't look like a monster. Indeed, Rodney Alcala was a handsome, charming photographer who'd once studied film at New York University under director Roman Polanski. With his wit and easy self-confidence and humor, he'd even been selected as the "winner" on the popular television show "The Dating Game." But his real game was much more sinister. In 2010, Alcala was convicted of murdering five women in California during the 1970s; then in 2013, as he waited on Death Row, he confessed to the murder of two more in New York. Yet, that might not be the end of the nightmare he caused. At his arrest, police found his "portfolio" with thousands of nude and erotic photographs of women and boys, who may also be among his victims. In *The Killing Game*, bestselling true crime author and radio show host, Alan R. Warren reveals the shocking details of Alcala's brutal crimes, as well as the trials and appeals that stretched on for decades and may still not be over.

Sealed away for ages, a forgotten horror reaches out for new power. Three heroes know the danger. In the *City of Towers*, a tormented mystic and a soldier-wizard try to thwart a monstrous scheme. In the *Shadow Marches*, a disgraced warrior summons an ancient sect to battle. As a dragon rises, can their struggle succeed? Or will they fall to madness and the music of the Killing Song? The thrilling conclusion to *The Dragon Below* trilogy! Don Bassingthwaite is the author of numerous fantasy and dark fantasy novels. His latest books are *The Yellow Silk*, *Mistress of the Night* (co-authored with Dave Gross), *The Binding Stone*, and *The Grieving Tree*. Don lives in Toronto, surrounded by gadgets, spice jars, and too many books. From the Paperback edition. Harry Exton thinks that he has bought his way out of the killing game, but when a US senator smuggles him out of the UK and makes him an offer he can't refuse, he finds himself becoming a Button Man once more. As the stakes get higher, so Harry's passion for killing spirals out of control and his backer decides that the game is over. Little does he realise that Harry Exton is playing for keeps!

The murder of a world-famous physicist raises fears that the Illuminati are operating again after centuries of silence, and religion professor Robert Langdon is called in to assist with the case.

Two young, female patients are found dead in a semi-private mental hospital in Queens. Each is found on the floor in their rooms, jugulars slashed. The hospital classifies them as suicides—but when a third patient is found dead, a terrifying question arises: is there a serial killer on the loose in the hospital? The FBI Behavioral Unit calls in its star criminal profiler, Tracy Wrenn, to provide her unique insights to crack the case. Immersed in the world of the hospital, Tracy encounters a wide array of disturbing and perplexing characters, each with their own level of psychosis. Tracy must plunge into the depths of the disturbed minds of both inmates and staff as she tries to sort out what is real and what is fantasy, and as she begins to learn just how twisted the human mind can be. A shocking twist culminates in an ending Tracy can never expect, as she finds herself on the brink—and can only hope to return. Book #3 in The Killing Game will be released soon.

Gary Webb had an inborn journalistic tendency to track down corruption and expose it. For over thirty-four years, he wrote stories about corruption from county, state, and federal levels. He had an almost magnetic effect to these kinds of stories, and it was almost as if the stories found him. It was his gift, and, ultimately, it was his downfall. He was best known for his story *Dark Alliance*, written for the *San Jose Mercury News* in 1996. In it Webb linked the CIA to the crack-cocaine epidemic in Los Angeles during the Iran Contra scandal. His only published book, *Dark Alliance* is still a classic of contemporary journalism. But his life consisted of much more than this one story, and *The Killing Game* is a collection of his best investigative stories from his beginning at the *Kentucky Post* to his end at the *Sacramento News & Review*. It includes Webb's series at the *Kentucky Post* on organized crime in the coal industry, at the *Cleveland Plain Dealer* on Ohio State's negligent medical board, and on the US military's funding of first-person shooter video games. *The Killing Game* is a dedication to his life's work outside of *Dark Alliance*, and it's an exhibition of investigative journalism in its truest form.

**NEW YORK TIMES BESTSELLER** • He strikes without warning. He kills without mercy. He's only just begun. Close the doors, lock the windows, and get ready for a bloodcurdling ride.

“Extremely tense and very gripping with a killer ‘what if’: your stalker claims to be the only person who can save you – what if this time he’s telling the truth.”

–Ruth Ware, New York Times bestselling author

On January 21, 2015, a pro-ISIS Twitter account reported that John Maguire, a 23-year-old university drop-out from the Ottawa Valley town of Kemptonville, had been killed fighting Kurds in the Syrian city of Kobani. A few weeks before, Maguire had starred in a YouTube video threatening Canada for bombing ISIS forces in Iraq. He is one of the dozens of young Canadians who have chosen to fight in a vicious conflict that really had little to do with them and with Canada. Why would young people choose to fight in other people's wars, especially one as bloody and cruel as this one? Why has ISIS become so good at attracting foreign fighters? This book examines the lure of this radical Islamist movement: its religious beliefs, sophisticated propaganda, and vast social media networks. ISIS is now a go-to cause for alienated young people in the Islamic World and the West. Does it offer answers to troubled young people? Are ISIS's crimes -- slavery, murder, rape, repression, and the destruction of heritage sites -- an attraction in and of themselves? What do we do about the people who take up ISIS's cause but stay in their home country? What do we do with the ISIS recruits who come home? The Killing Game examines what draws young men and women to join violent social/political movements. It looks at the psychology of young men and women today and the propaganda used by all sides in the Middle East conflicts, as well as the security laws and the political initiatives that have been designed to stop Canadians from being radicalized. From the irresistible lure of Marxist-Leninism of the 1930s through the '60s and '70s, and including the appeal of Nazism to young Germans in the 1930s, this book also investigates what it is that draws young people to join and fight for causes as different as the Spanish Civil War of the 1930s and the Red Brigades of the 1970s, but with an

emphasis on the attraction of ISIS and radical Islam in our own time.

"When the ship goes down, the sharks come out.... Stranded in the war torn Pacific, Patrick and his younger brother Teddy are finally homeward-bound. They've stowed away on one of the US Navy's finest ships, and now they just need to stay hidden. But Japanese torpedoes rip their dream apart. And the sinking ship isn't the worst of it. Patrick and Teddy can handle hunger and dehydration as they float in the water and wait to be rescued. If they're smart, they can even deal with the madness that seems to plague their fellow survivors. No, the real danger circles beneath the surface. And it has teeth.... Based on the true events of the 1945 sinking of the USS Indianapolis, author Michael P. Spradlin tells a harrowing story of World War II."

The #1 bestselling author Iris Johansen delivers the first in a trilogy that will begin to answer questions that have haunted her legion of fans for over a decade, in her next novel of breathtaking suspense Eve Duncan's mission in life is to bring closure to the families who have experienced the agony of a missing child. As a forensic sculptor, she is able to piece together bones, create a face, and bring an identity to a child who would have otherwise gone unidentified...maybe forever. Eve is brilliant, and driven, and tormented--because her own daughter, Bonnie, was taken from her years ago. And Eve has never discovered what happened to her. But now a name from the past resurfaces, thanks to CIA agent Catherine Ling who knows all too well what it's like to lose a child. After teaming up with Agent Ling to find her missing son, Eve and Catherine share a bond forged by their mutual pain. Now, Catherine challenges Eve with a name: John Gallo. A man from Eve's past. A man, seemingly raised from the dead, whose whereabouts are unknown. Could Gallo be the missing piece to

the puzzle that has haunted Eve for years? Why was he in Atlanta just before Bonnie's disappearance? With a brilliant narrative that goes back to Eve Duncan's early life, exploring her history and motivations like no other novel before, Eve reveals long-guarded secrets and is guaranteed to leave Johansen fans panting for more.
