First published in 1921, "The Wife" is the second book in the "Kristin Lavransdatter" trilogy by Sigrid Undset, the Norwegian author and winner of the 1928 Nobel Prize for Literature. Undset's award was primarily based on this series, which depicts the life of Norwegian woman from her childhood to her death in the 14th century. The first book in the series, "The Wreath", follows the young Kristin as she clashes with her family, who are religious and prosperous farmers, while she falls in love with, and eventually marries, a man that her parents do not approve of. In "The Wife,", Kristin finally faces adult responsibilities and concerns as she makes a life with her husband. She atones for the sins of her youth and rises to the challenges of raising a large family and running an estate while married to an irresponsible and impulsive man. Kristin's love and loyalty for her foolish husband is greatly tested and she learns the hard way what challenges await her and what sacrifices will be required of her. "The Wife" is a riveting and satisfying portrayal of a woman coming into her own as well as a fascinating glimpse into a long since past medieval world. This edition is printed on premium acid-free paper and follows the translation of Charles Archer.

David has lost his memory. A newspaper advert appears asking friends and relatives to share their memories of him. Three respond: his two closest teenage friends, and his stepfather, now estranged, from his backwater hometown of Namsos. Their reminiscences of teenage nihilism and rebellion, the eroticism and uncertainties of first love, and intense experiments in art and music, are framed by present day scenes of lives run aground on thwarted ambition and intimacy. Told in letters, interleaved with internal monologues and commentaries, *Encircling* provides a dark, searingly honest portrait of life at the edges of provincial Norway. Yet for all its apparent bleakness, Tiller's remarkable opening novel of the *Encircling Trilogy* pulses with humanity and truth. As each narrative colours and reshapes the last, the enigma that is David continues to intrigue us.

Karin Bjørset Persen (f. 1967) vokste opp i Trøndelag, men har senere bodd mange år i Porsanger i Finnmark med mann og tre døtre. Hun er norsklærer og har alltid trivdes med å skrive. Det fungerte fint, og siden da har Karin Bjørset Persen sett på skriveingen som veien til lykke og framgang. En dameklubb som kalte seg "Frustrerte fruer" ga Karin ideen til romanen Julebrevpikene.
